

Hammad Ahmed

SUMMARY

Detail-oriented Software Engineering student, Web Developer, and aspiring Data Entry professional with strong typing skills and proficiency in Microsoft Excel, Microsoft Word, and other MS Office applications. Experienced in developing web applications using HTML, CSS, JavaScript, PHP, MySQL, and Laravel, with a strong understanding of data management and database systems. Possesses a keen eye for detail, excellent understanding of Roman Urdu and English, and a strong commitment to data confidentiality. Skilled in data entry, data validation, data cleansing, record management, and maintaining accurate digital records. A quick learner with excellent organizational and problem-solving skills, eager to leverage both technical and data management.
